# SQUINT™ Special Report

*Fake Drivers Licenses*

We received the numerous SQUINTs similar to the one below:

CBP did have a news release about finding fraudulent drivers' licenses:  
<https://www.cbp.gov/newsroom/local-media-release/over-19k-fraudulent-ids-seized-cbp-officers-chicago>.

However, this SQUINT incorrectly connects the fraudulent drivers' licenses with election fraud. CBP notes in the media release, most were for college-age students and these were found in multiple shipments over a six-month period of time.

Voting registration requires more than a fake driver's license. The states require a valid

driver's license and the social security number (or the last four digits) of the voter which they verify.
