

I'm not getting club emails anymore! What happened?

Probably one of two things:

- 1) If your email address recently changed, you need to let the Webmaster know your new email address. Email me at buds5@comcast.net
- 2) You may have clicked on the "opt-out page" link found near the bottom of each club email. If you do that, it will take you off all further emails. You can fix that by logging in, hover your cursor over your name in the upper right corner and click on Profile. Next click on Privacy/Cancel/Remove (in the Personal Info box). Select Yes, I want to receive these emails. All done!
