Greater Stonegate Village had a presence at the Stonegate neighborhood Fourth of July celebration. Unfortunately there was no parade this year (no volunteers to manage it), but there was a cookout lunch and open pool time. GSV member Al Brock was there, helping to grill. Other GSV members Kendell Matthews, Marla Lahat, and Sue Winakur “manned” the GSV table, giving out information and signing up volunteers and potential members. (Member Lesley Rogers stopped by briefly to help.) Thanks to Executive Administrator Rita Battaglia for getting GSV banners printed and organizing this promotion opportunity.
