

### **GREATER STONEGATE VILLAGE HOLDS FIRE SAFETY MEETING**

On December 7, 2017, a Montgomery County firefighter, Captain Kirk Wims , provided members of the Greater Stonegate Village with a number of tips for fire safety and for safety in general.

Captain Kirk Wims followed up his talk with a discussion of the information and forms that are available on the Montgomery County websites, such as [www.mcfrs.org/mcsafe](http://www.mcfrs.org/mcsafe).

Captain Kirk Wims reminded us that the fire department is willing to do safety inspections of our homes and to help replace battery-powered smoke alarms. For information about the free home safety program, visit [www.mcfrs.org/mcsafecce](http://www.mcfrs.org/mcsafecce)
