

## TRYC 2020 JUNIOR SAILING PROGRAM SPAGHETTI DINNER FUND RAISER

Hello TRYC Junior Sailing Families,

I hope everyone is looking forward to a wonderful summer of sailing, socializing and serious fun. The TRYC Junior Sailing Committee has been very busy planning for what we believe will be a truly outstanding Junior Sailing Program for our Junior Sailors.

For those families new to our program, we traditionally have an annual Spaghetti Dinner Junior Sailing fund raiser to raise money for the Junior Sailing Fund. The TRYC Junior Sailing Spaghetti Dinner has been an annual fund raising event for longer than anyone would admit to remembering. This year's Junior Sailing Spaghetti Dinner will be on **Tuesday, August 11<sup>th</sup>** (rain date Thursday, August 13<sup>th</sup>). All the delicious food is prepared by parents who support Junior Sailing and we "hire" the most enthusiastic staff to serve the buffet and bus the tables; *our own junior sailors*. It is always an extremely well attended event and is hands-down, the best deal in town at \$10 a ticket.

Every year, we ask our Junior Sailing families to please purchase tickets in advance (which was hopefully accomplished with your junior sailing program registration) to sell to anyone who would love to support Junior Sailing by enjoying a really great night out at TRYC. This year, we are kindly asking each sailor in the program to please sell a minimum of \$50 worth of tickets.

You are receiving five (5) tickets to cover your pre-paid \$50 and if you sell all five (\$50 worth), you keep the money. Please return any unused tickets to your Junior Sailing coach. If you can sell more than \$50 worth of tickets, awesome; just ask for more tickets, collect the money and hand it in to your coach when you are ready.

As always, you can e-mail or call me with any questions.

Thanks for supporting TRYC Junior Sailing!
