

## Gwynfor Gummer

Gwynfor Gummer passed away in Albany, NY on Monday, April 29, 2013. He was born in the United Kingdom and served in the British Army during World War II. Mr. Gummer worked for Key Bank for many years before retiring.

Gwyn and Joyce were stalwart long-time members of the Jet 14 fleet and raced regularly. He and Joyce had a pair of Sunfish for noodling about. Gwyn was proud of his Welch heritage. He bore his serious physical impairments encountered in later life with remarkably good humor. He continued his membership in the club after his sailing days were over and attended the major social events.

Gwynfor is survived by his beloved wife, Joyce Gummer. Funeral services will be private at the convenience of the family.

From the Albany Times Union, with additional comments by Allan Tedrow.
