

Do you take care of someone with Alzheimer's or dementia?

We want to learn how to best support you.

We are conducting a research study to understand the best way to address the needs of caregivers in the area.

- ➔ Five surveys
- ➔ Complete surveys on your own time via the internet, or with research staff over the phone
- ➔ Earn up to \$140

To learn more, call **844-669-0066** or email **communityrx-care@bsd.uchicago.edu** today.
