

Operation Medication Bring-Back

AT THE FOREFRONT
**UChicago
Medicine**

What to do with Leftover Medication

Do Not Flush Medication

**Bring unused medication
to your after-surgery visit**

Throw it away in the
Medsafe bin at the
DCAM Pharmacy
on the 1st floor.

- 70 percent of after surgery pain pills are never used.
- 70 percent of opioid abusers get pain pills from family or friends.
- 70 percent of teenagers can get prescription drugs from their parents' medicine cabinets.
- Flushing unused medication in the toilet affects our drinking water.

**The Medsafe Bin is Safe, Legal
and Friendly for the Environment**
