ABOUT

Welcome to the Bethlehem Neighbors

We strive to fill the existing gaps in services that are already provided in our Town, including transportation, coordinating and planning educational and social events, and creating a supportive community.

We are part of a growing Village movement—It's a Plan—Not a Place.

- Grassroots socialization & services organized & delivered by volunteers.
- Enabling people to take charge of their own lives and age in place.
- Partnering with existing community resources.
- Providing referrals and assistance.

If you have time to volunteer, need assistance or would like to contribute to the growth of this network, we welcome you to join us.

Membership dues are paid annually for each calendar year.
