## **MESSAGE FROM THE PRESIDENT**

Happy Summer,

**Happily, and surprisingly, Springfield has actually passed some legislation that may be helpful for us. The CARE Act (The Caregiver Advise, Record, Enable Act, Public Act 099-0222 ) features three important provisions.**

1. When you are admitted to a hospital or rehab facility, your 'caregiver's' name is recorded in your medical record. You can name a spouse, child, friend, neighbor.
2. Your identified 'caregiver' is to be notified when you are to be discharged.
3. The Hospital must give your 'caregiver' LIVE instruction of the medical tasks that you will need when you get home.

If you need to be hospitalized, be sure to ask about this important benefit.

Falling has resulted in serious problems for several friends this winter so this information from the Centers for Disease Control and Prevention is especially timely to help us avoid falls. To download their brochure in English, click here. It is also available in Spanish and Chinese.

Wishing you a safe and fall-free summer and hope to see you soon at one of our many Skyline events.

Best,  
Phyllis Mitzen

## **Recap: June Skyline Events**

### **Special lecture at Loyola: Family Intergenerational Legacies**

On Wednesday, June 15th we were privileged to hear Professor Marcia Spira speak about Family Intergenerational Issues. Professor Spira is the Associate Dean for Academics and the Director of the Institute for Intergenerational Study and Practice at Loyola University Chicago. She has been at Loyola since 1996 and teaches both in the Master's and Doctoral programs in the School of Social Work.

Marcia presented a strong case for writing our life stories; she engaged our group in a lively discussion of issues that involve us in our families. She insured our participation by asking us - in teams of two - to come up with three words that best describe ourselves! Try it with your friends and family. It was a lot of fun.

Following the presentation we enjoyed lunch together at Lyfe Kitchen.

### **June Friday Forum: The Independent Map Amendment: A Proposal to Reform Legislative Redistricting**

On Friday, June 24, SVC members and guests gathered for lunch at Frankies and then listened with rapt attention as David Millet, a spokesperson for the Independent Map Amendment, outlined a plan to take the process of redistricting legislative districts out of the shadows and into the sunlight.

"Maps are drawn by those who have the most power in Springfield," explained Mr. Millet. "Thus, there is little consideration for geography or the interests of voters. Rather, it is the interests of elected officials who want to retain their positions that drives these efforts." Petitions circulated to request that the amendment appear on the ballot in November resulted in 570,000 signatures, far more than needed.

A lawsuit to prevent the proposal from going onto the ballot has been filed by Speaker Michael Madigan; the first court hearing was held on June 30. The Judge's ruling on the case is expected on July 21. For more information, go to [www.MapAmendment.org](http://www.MapAmendment.org).

*Condolences:*

*Condolences to the family of Katie Sowle. She was a beloved member of the Skyline Board of Directors, serving as Recording Secretary for two years. She helped create the knitting group and hosted coffees and our celebrated App Parties. She will be remembered for her gracious warmth and charm, her incredible hospitality, her brilliance and commitment to creating community. She is missed by all of us who knew her.*

**The When, What, Why, and How**

**Boyle Conference Room**

**Replogle Center**

**Fourth Presbyterian Church**

**Thursday, July 21, 6 - 8 PM**

There is a lot of confusion about the differences between hospice and palliative care--and this event in our "Dying to Know" series will address that confusion. Join us in learning what hospice and palliative care are, when it is time to choose hospice and palliative care, and all the benefits that these models of care offer to support patients and families during a life-limiting illness and beyond. A light supper will be served during this event.

Call the Replogle Center for information and to register:

312.787.8425. A \$35 per-person fee is required.

## HOW SKYLINE VILLAGE SERVES YOU

We are a collaborative nonprofit community organization created and run by neighbors for neighbors to support one another and to enhance our quality of life in our neighborhoods: Streeterville, the Gold Coast, River North, and the New Eastside.

OUR MISSION is to enrich the lives of our members through unique cultural, educational and social activities designed to take advantage of the vast resources of our vibrant city. We initiate programs and provide access to community information our members have indicated they want and need to stay actively engaged and connected.

Our regular NEWSLETTERS are transmitted bi-monthly at the beginning of the 2 month period. In addition, we send periodic UPDATES to assure that you are kept current with what is happening in our neighborhood, as well as to serve as "reminders" of upcoming events and activities. Hope to see you soon at one of our events. We welcome your comments and suggestions at [svcchgo@gmail.com](mailto:svcchgo@gmail.com).
