PRESIDENTIAL PONDERINGS

December, a month of reflecting on the year, spending time with family and friends, and trying to keep your sanity during the craziness of the holiday season. My family all live in the New York area, and I plan to spend some time with them and let my kids loose with their cousins over the holidays. It is always nice for me to go home to visit my childhood stomping grounds and old friends, then return to Virginia, my adopted home, to regain my sanity when all the tinsel settles. I hope you and your family have a wonderful holiday season.

Have you been taking advantage of the membership incentives this year? There is still time to get your free lunch and a \$50 visa gift card-see the membership page for details! Don't forget about our Business Memberships. Do you know a business that would like to join? Tell them about us!

Please consider supporting a luncheon or Professional Development workshop, and sharing with businesses you know that will support N.E.W.

I am super excited about our December programming, plan to join us at the December luncheon to hear from the ghost of Christmas past, ghost of Christmas present, and ghost of Christmas future to learn ways to help with planning.

I thank you for spending time with me and N.E.W. this year and I hope to see you at our December 12th luncheon.

Until next year,

Janine
