PRESIDENTIAL PONDERINGS

A friend is someone who fills our lives with beauty, joy, and grace, and makes the whole world we live in a better and happier place. I miss you my friends. I hope you are taking this time away from work and the everyday grind to connect with your loved ones and friends. I have enjoyed my time at home with my kids and not having to wake up at 6am every day. I am looking for the positives in this situation and I am taking this time to learn

as much as I can about what will make us stronger on the other side of this crisis.

Although we have canceled our May luncheon, I am hopeful we can all meet in June and at the very least for our scholarship luncheon in July. Stay tuned to your emails or check our website.

Our membership incentives are still going on; there is time to get your free lunch and a free N.E.W. annual membership - see the membership page for details! Don't forget about our Business Memberships, do you know a business that would like to join, tell them about us!

Please consider supporting a luncheon or the last Professional Development workshop, and sharing with businesses you know that will support N.E.W

I thank you for spending time with me and N.E.W. and I hope to see you at our June 4th (fingers crossed) luncheon.

Until next month, *Janine*
