## Steering Committee Adds Two New Members

We are pleased to announce Raka Ghosh and Ann Abramczyk have been appointed to the N4NN Steering Committee. They're volunteer activities are already making a positive difference for N4NN.

Ann, a native New Yorker, currently dedicates a great deal of her time and energy providing support and enhancing the quality of life to seniors. Past and present volunteer involvement include the JCC Chai Program, Seven Acres Jewish Senior Care Services; and for JFS's Project Shalom. Additionally, she serves as a Volunteer Ombudsman, advocating for residents in nursing homes and assisted living facilities.

Raka comes to us from Kolkata (formerly Calcutta), India. She too has been an active volunteer, organizing Blood Donations at 9/11 and cooking for Katrina victims.

Through Catholic Charities, she has assisted Southeastern Asian refugees resettle as well as washed clothes for homeless. She was a Democratic Precinct Chair in 2015. Before joining the Steering Committee, Raka was a N4NN volunteer, conducting safety surveys of homes and visited with members.

We welcome and thank both Ann and Raka for accepting a leadership position with N4NN and committing to help seniors retain their independence, stay in their homes, and remain active in their communities.

The Steering Committee meets once a month, usually in the afternoon at the home of Annette Novominsky. We oversee the day to day activities of N4NN and develop policies to guide the organization. Contact one of our committee Co-Chairs; Jay Schaffer at 713.412.6000 / [js7984tx@gmail.com](mailto:js7984tx@gmail.com) or Wayne Dorris at 713.882.2549 / [wayne.dorris@earthlink.net](mailto:wayne.dorris@earthlink.net) to learn more about the activities of the Steering Committee.
