

**2022 JALAF! Broad categories to help have as many participants as possible!**

**January:** Your favorite stone. Any stone, any color. As always, please make sure you have never entered it into the JALAF before.

**February:** Multi-colored stones. Any stone that has more than 1 color.

**March:** Red. Any stone that has some red or is mostly red.

**April:** Purple. Any stone that has some purple or mostly purple.

**May:** A stone you found and manipulated (this stone can not be something bought) (honor system). For the "found specimen" category this would simply be any type of stone you have found.

**June:** Blue. Any stone that has some blue or is mostly blue.

**July:** Black. Any stone that has some black or is mostly black.

**August:** No JALAF (Ice Cream Social)

**September:** Circles or spheres. Interpret that however you like.

**October:** Green. Any stone that has some green or is mostly green.

**November:** Squares, cubes, or sharp corners. Interpret that however you like.

**December:** No JALAF (Christmas Party)
