

Our village seeks to sustain and enrich the lives of residents, with special attention to people aging in place and those with disabilities, through a network of neighbors providing supportive services and programs.

We welcome everyone regardless of age, gender, race, religion, national origin, citizenship status, ethnicity, sexual orientation or disability.

## MEMBERSHIP BENEFITS

### Volunteer Services

Our vetted and trained volunteers may: provide rides to medical appointments, shopping and social outings; pick up and deliver prescriptions; offer assistance with minor household repairs, computer/tech issues and yard work. While we cannot guarantee that every request will be filled, we will do the best we can given limited resources.

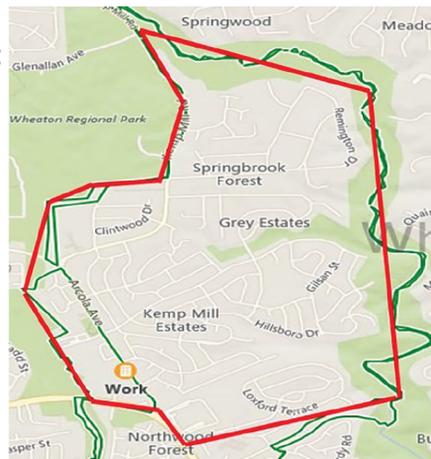

### Business Discounts

We are in the process of negotiating special discounts at local businesses, including in the Kemp Mill Shopping Center and Westfield Shoppingtown Wheaton.

### Social and Community Events

We intend to provide regular social, recreational, cultural and educational events, neighborhood meet-and-greets, and to organize hobby groups such as book clubs, music groups, sewing circles, etc. We invite your suggestions for ways to expand our social interactions as a village.

## MEMBERSHIP DUES

Even nonprofit, volunteer-based organizations have costs they need to cover: telephone, computer and Internet services, background checks of volunteers, liability insurance, printing costs, office supplies, accounting and legal services and more. We anticipate dues will cover about half of those costs, and count on individual and corporate donations and government grants for the balance. Montgomery County Government has been very generous in covering many of our start-up costs.
