

## Daily automated check-in phone service FREE during pandemic

Iamfine.com is offering their [daily automated check-in phone service](#) for **FREE** during this global pandemic. VtV Network would like to thank Iamfine for this generous offer...

As a quick reminder: Iamfine is an automated daily phone check-in service that calls a person who lives alone once or twice a day at a predetermined time and prompts them to press “1” to confirm they are “ok”. If they miss their scheduled check-in, then Iamfine will alert the user's list of friends and family and others by email, text or a call.

I would like to ask that you share this with your members and any other people or organizations that might benefit.

To address some of the key questions up front:

- **FREE to use during the COVID-19 pandemic**
- **No credit card required**
- **Over 1 Million calls made since 2012**
- **We never share or sell our users information**
- **Ideal for ANYONE that is self-isolating**

**NJV HUB Village membership is FREE** to all Bergen County residents age 60+ until June 30, 2020 (or later if COVID-19 Quarantine is not lifted). If you are interested in **FREE Iamfine Check-in Phone Service**, [register here](#).
