

HOW SMART IS YOUR RIGHT FOOT ???

This is bizarre!

How smart is Your Right Foot? ?

Just try this. It is from an orthopedic Surgeon.....

This will boggle your mind and you will keep trying over and over again to see if you can outsmart your foot, but you can't.

It's preprogrammed in your Brain!

1. WITHOUT anyone watching you and while sitting where you are at your desk in front of your computer, lift your right foot off the floor and make clockwise circles.

2. Now, while doing this, draw the number "6" in the air with your right hand.

Your foot will change direction.

I told you so!!!

And there's nothing you can do about it!

Send it to your friends and frustrate them too.
