Sharing Active Independent Lives (SAIL) is a program of the Madison Area Continuing Care Consortium, Inc., a non-profit organization whose members include Attic Angel Association and Oakwood Village.

Supported in part by:

SAIL Operating Council: Christine Beatty, Dorit Bergen (Vice President), Mary Ann Drescher (MACCC), Tom Evans, Ernie Hanson, Don Haasl (Secretary), Patricia Kallsen (President), Chris Klotz, Kathleen Larson, and Bob Topel

From the Office

A Message from Executive Director Ann Albert

L to R: Ann Albert, Sue Stenzel, Peggy York, and Nicole Schaefer

We hope you like our SAIL Team picture! Members often tell us it's nice to put a face with a name.

As our Council President Pat Kallsen shared last month, we're working on transitioning some of my responsibilities to SAIL team members and hiring a part-time communications person to help us grow SAIL. I'm thrilled to share that my role has expanded to Executive Director of the Madison Area Continuing Care Consortium (MACCC), our parent organization. The purpose of this is to work on some wonderful new programs that will complement the many offerings at SAIL, Oakwood Village, and Attic Angel Community and continue to enhance the lives of older adults. As it turns out, May is *Older American's Month*. This year's theme, "Engage at Every Age," celebrates the many ways older adults are contributing to our communities. At SAIL, we appreciate the many ways you, our members, engage in supporting "independence through connections." Thank you!

On Our Own Updates *by Co-leaders Janice Gary and Karen Peterson*

We're pleased to share some plans for future gatherings of this evolving group! Note that events are open to all members.

We have the SAIL Spring Luncheon coming up on May 15—this will be considered our May gathering—please be sure to sign up!

On Wednesday, June 27, we'll learn about emergency medical services—what to expect if you call 911 and request help.

On Monday, July 16, we'll visit the Allen Centennial Garden for a tour and end with a visit to Babcock Hall for lunch.

We encourage you to join fellow SAIL members at the SAIL Midsummer Night's Eve event on August 21.

September and October are great months for outdoor events—we'll be scheduling walks along Lake Waubesa and a visit to Vilas Zoo.

November and December will include some holiday festivities.

At last month's program, professional advocate Debby Deutsch shared the inside scoop on the role of a patient advocate and how to properly create your Advanced Directives. Thank you, Debby!

Volunteer News and Upcoming Events

A Message from Volunteer Coordinator Peggy

SAIL celebrated National Volunteer Month with a “Thank You” gathering on April 20. SAIL’s generous volunteers make life so much richer for all of us!

Over the past month, SAIL office volunteers worked over 40 hours keeping us up to date. Volunteer drivers gave 10 rides to members that needed to get to appointments and our handymen assisted SAIL members with various needs in April.

SAIL YARD SALES ARE ON...PLANS ARE PROGRESSING... MEMBERS ARE RESPONDING

by Member Kathleen Larson

In March, member Rita Bloomfield and I announced a new SAIL offering—a series of yard sales that help you get rid of stuff and help you connect with other members. We’re pleased to share that a number of members responded and are planning to participate! The sales will be at Rita’s home; and, weather permitting, the first sale will occur mid-May. A second sale is planned for June with more dates to follow this year and in 2019.

We are looking for additional members to participate. Join us to make a little extra cash, socialize, and have a whole lot of fun. You may even want to donate your proceeds to SAIL!

Contact me at kathleenlodz@gmail.com or 608-238-7024 for further details. I can help you with anything you might need from pricing to transportation. Hope to hear from you!

Men’s Roundtable *by Member Fred Ross*

When and Where: Tuesday, May 8 at 10:00 a.m. in the Oakwood Village Heritage Oaks Social Room.

Topic: We’ll continue the open-ended format that has been working well this year. Participants choose discussion topics: sports, politics, history, current events, foreign affairs, whatever the interest may be. The tone of these discussions varies: some serious, some partly-serious, some decidedly unserious. But it is a generally “civilized” exchange of ideas, and everyone goes home wiser rather than sadder. Transportation: Need a lift? Call SAIL!

Book Club News *by Member Alice Punwar*

Unfortunately, the April 18 snowstorm forced us to cancel Book Club. We do plan to meet on May 16 and hope that winter will finally be over. We’ll be discussing the the April selection, *Radioactive*, by Lauren Redniss along with our book for May which is *A Discovery of Witches* by Deborah Harkness. It’s a mixture of history, mythology, and magic as a young scholar discovers a long-lost manuscript and it leads her to a fantastic underworld. Join us on May 16 at Sequoya Library from 1:30 to 3 p.m.!

Membership Matters

by Member Dorit Bergen

The second meeting of Membership Matters gathered on March 12 at Attic Angel Community to continue working on SAIL’s programs and services. So far, 25 members have participated in Membership Matters—a great start, let’s keep the momentum going!

We completed our brainstorming list of ideas; and we then divided into three small groups, each representing one of the 2018 SAIL grants. *(Continued on page 7)*

Membership News and Updates

New SAIL Members

Barbara Martin, Middleton

Ray and Janine Matulionis, Arbor Hills

Carolyn & Morris Waxler, University Heights

A Message from Membership Services Manager Nicole Schaefer

I recently completed a course at the Aging and Disability Resource Center (ADRC) and am now certified as a Dementia Friendly Trainer. With this knowledge, I can help spread awareness on dementia while also helping others understand how to best assist someone who lives with dementia. As we continue to expand our vendor list, the orientations we provide will now include material from this training and will have an added focus on helping our vendors gain a greater understanding of the different types of dementia and how to work well with someone who has a debilitating cognitive impairment. I'm also developing a program to share with you, our members, as I believe the information can help anyone, whether it's for you or for a loved one.

New Vendor

We've welcomed a new cleaning vendor this month! Jake's housecleaning services comes highly recommended, along with his personable approach and willingness to go above and beyond your requests. If you're in need of a cleaning service and would like to learn more about Jake or our other housecleaning providers, please call me or login to Sailtoday.org to view their profile in the Service Provider Directory.

Membership Matters *(Continued from page 5)*

The grant projects are aimed at combating loneliness, creating an emergency contact file and support system, and outreach to professionals who work with older adults.

Our next meeting is on Monday, May 14, 1:30 p.m. to 3:00 p.m. at the Oakwood Heritage Oaks Westmorland Room. New members are always welcome to attend! We will continue to develop the ideas generated at the first two meetings. We aim for a mix of long-term planning and more immediate end products. Continuing members please note, you are welcome to join a different small group for the May meeting. We want you to work on what interests you! There will be time to socialize and enjoy refreshments! **Please join us!**

A Message from Member Claire Box

I was diagnosed with Alzheimer's a couple of years ago, and it has been a journey of acceptance, learning, and joy. It is a diagnosis that is one of the most dreaded fears for people, and it is not something that we openly talk about. When I first noticed some difficulties, given my family history of dementia, I asked for an evaluation, surprising my "dd" - my fond nickname for my dementia doctor, since most folks wait until someone else brings them in when things are quite progressed. But, early diagnosis is important for treatment and prognosis.

Next month I'll share how I live each day and what helps.

If you or someone you care about has dementia, there are some great resources available. Give SAIL a call for more information!

Please let us know if you'd like us to share SAIL information with a friend or high quality service provider. If the person joins/becomes a SAIL vendor, you'll receive a \$25 gift card!
