

# 2020 Racers' Edge – Rules

## **Committee**

Racers' Edge Chair – Jerry Cline

Autocross Event Chair - Marvin Maize

Drag Race Event Chair – Clayton Bromberg/Ken Rees

Rallye Event Chair – Ken and Kathy Ackeret

## **Rules for 2020 Racers Edge Program**

The Racers Edge (RE) program format for 2020. There will be an overall Champion, Second and Third Place awarded at the end of year Awards Banquet. If you cannot attend, an arrangement will be made to get the trophy to you after the Awards Banquet. There will be 8 total events this year and the best 6 of those 8 will count towards the end of year awards. Each event will also have a Winner and Runner Up, and a trophy will be awarded for those two categories at the next RE event.

## **Point System**

The 2020 Racers Edge is created to get LVCA members and other Corvette club members involved in competitive driving events for Corvettes Only. The spectrum of events covered by the Racers Edge Program includes, but is not limited to; bracket drags, matching time autocrosses, and various types of rallies. We will do some combination of these during the year.

To qualify for Racers Edge points in 2020, you must be an LVCA member or member of another Corvette club and drive a Corvette in the competition.

There is a fee of \$40.00 for Racers Edge covering the entire year, payable at the first event, or online. Racers Edge trophies for individual events will be presented to winners at the next general LVCA membership meeting or at the next Racers Edge event.

Anyone may compete in any event that we participate in, pay the event fee and are eligible for event awards, if that venue offers awards, but only Racers Edge Members who are entered and paid their season fee of \$40 may win Racers Edge trophies and earn Racers' Edge points. As an example, if you come out to the Bracket Drags and wish to compete, you will be competing in the Series Bracket Classification for your car, probably Sportsman, but not with the RE's in our Bracket Series. This is like running at the SCCA Autocross. You sign up in the classification and can compete for event points or awards, but not RE Points.

## **Points for Individual Events**

Racers Edge points are awarded at all scheduled RE events according to the RE Event specific rules. The RE Champion is determined by the best 6 of 8 events, you do not have to attend all events to be eligible to win; however, your chances of winning are better by attending more events for a higher average score as we take the highest points from 6 out of 8 events.

The points are awarded as follows:

1st = 12 points

2nd = 11 points

3rd = 10 points

4th = 9 points

5th = 8 points

6th = 7 Points

7th or Lower =6 Points

Two trophies are awarded per event for Winner and Runner up. The winners are determined by the criteria for each event. The highest placing RE participant will earn a Winner trophy for the event, the second highest RE participant will earn a Runner up trophy for the event. If there is a tie for the top two places, then

both people get a trophy and the same points. If there is a tie in Drag Racing, then their place is determined by reaction time, breakout time and/or time difference for a red-light infraction, the winner is **not** determined by LVMS winner on the timeslip in the case of a tie during a double red-light or double breakout.

The points will be tallied as follows:

- Autocross RE points will be in order of the closest two matching time trials as posted by the event promoter. Each Autocross event will be counted as one RE event. (If you hit a cone, that run does not count)
- All Bracket Drag Racers will be members of Racers Edge. Bracket Drags RE points will be determined in the normal manner as in any other Bracket Drag Racing competition. The points will be awarded in the normal fashion in the elimination rounds. Refer to Bracket Drags notes for points configuration.
- RE Rallye points will be based on the participant's order of finish in the rally as compared to other RE participants and not their overall placement.

Changes and corrections to the schedule and rules that may occur during the year will be done at the discretion of the RE Chair after consulting with the Event Chairs.
