Founded 1946

THANK YOU for your interest in Tyee Yacht Club! We are a friendly, diverse group of people who love to share boating and social experiences. You can join as an active or associate member.

Active: Membership is available to applicants who have attained age 18 and have interest in a cruising boat of not less than 16'. Active members have full voting rights and may hold elective office. Both men and women are equal members at Tyee Yacht Club.

Associate: Membership is available to applicants who have attained age 18 and do not have an interest in a boat. Associate members have full voting rights but may not hold elective office. As with Active members, both men and women are equal members at Tyee Yacht Club.

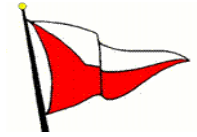

Couples: We expect adult couples (married or not) to join as a family unit. This requirement is consistent with our history of treating women equally in every way including membership status. Over the years, women have served in every capacity at Tyee Yacht Club including the office of Commodore.
