IF YOU ARE DUAL REGISTERING YOUR HORSE YOU CAN JUST LIST THE NAME OF THE HORSE AS IN AQHA.

We must have a picture of the horse. You will need to mail or email a good picture of the horse you are registering into AAHA. We need a full body side view with the head turned towards the camera and the feet apart. Use good light and no shadows. This picture will be placed on the Registration Certificate, so try to have the ears up and make it a good picture. For the purpose of you entering Event you can mail or email a picture at a later date. You can email it to register@americanappendix.com

List all information you know about the horse. If you do not know the sire or dam's registration number that will not matter. It is helpful but not necessary. If you do not have this information at this time, we will contact you regarding the information before the horse can be registered.
