Club meetings are held monthly, except July and August. There is a \$5 per person (\$10 for the Christmas party and summer BBQ) fee due from each member attending, to reduce refreshment costs.

Members are expected to assist in some manner at shows at which the club layout is set up.

Dues: Current dues are \$45 per year, subject to change annually. The club yearly membership runs from September through August.

Submit your completed form to a Bristol Club member, bring it to a club meeting, or mail it to the address below. If your membership is accepted, dues will be due for the remainder of the club year, pro-rated by the month you join.
