

My Testimonial

In your opinion, what is the # 1 benefit of being a member of the Premier Bicycle Club?

I became a much stronger rider. 2017 was my 1st official year of riding on the road instead of trail riding. Doing group rides was a great benefit for me by riding longer rides, conquering hills, and learning how to shift correctly when climbing. The encouragement from ride leaders on every ride really helped me a lot. I am normally the kind of person who is afraid to meet new people and Premier Bicycle Club made it really easy for me to feel comfortable with that. I always feel welcome and everybody is so friendly.

What do you feel are some of the other benefits of being a member of PBC?

Safety: I feel much safer with group rides knowing that someone is watching out for me. I don't like riding by myself. *Knowledge:* If I have questions about how to adjust something on my bike or what I need to do to become a stronger rider, they have been a great support system for me. *Professionalism:* This club is very professional in all aspects.

How do you personally benefit as a member of PBC?

After a club ride, I have the feeling I accomplished something for myself. I especially have that feeling after riding the longer rides. Also, meeting new people who enjoy biking like me has been a tremendous benefit to me.

Is there something you would like potential new members to know about PBC?

Joining PBC will help you to become a stronger rider. When I showed up for my first club ride, I didn't know what to expect. I could tell other riders were definitely stronger than me. I appreciated that someone stayed with me the whole ride and encouraged me throughout the ride. PBC has group rides for all levels, so if you are new to riding, being a member of PBC can really benefit you. Don't worry...you will not be dropped on a club ride. I am so happy that I found this club! It was all by coincidence. I was riding with a friend and saw PBC was doing a club ride and we talked to them about the club. I joined that night. In fact, my friend joined too!

My name is Michele N. and I've been a member since April 2017.
