

PROFESSIONAL WOMAN'S EXCHANGE GROUP OF HOUSTON

Dear Prospective New Member:

We are delighted that you are interested in membership with PWEHG (the Group). The Professional Women's Exchange Group of Houston provides women an opportunity to promote their business. The purpose is to offer support both personally and professionally through the exchange of ideas, friendship, and the sharing of resources. Attached is an application for membership for your completion and return, along with the \$150.00 application fee, to the Vice President of Membership. Your application will be reviewed by the Membership Committee and the Board of Directors, and you will be contacted shortly thereafter regarding membership.

Regular attendance at scheduled monthly meetings is required by the By-Laws. In fact, each member must attend a minimum of six meetings per year and maintain her membership dues on a current basis. Each member represents a specific business profession within the Group, and in order for the individual as well as the group to receive the maximum benefits of membership, members are strongly encouraged to participate in PWEHG through active participation on a committee, attendance at social events, and through regular attendance at monthly meetings.

It is through active participation in PWEHG that each woman will have the greatest opportunity to provide friendship to other members and to receive support and friendship from the group. We look forward to getting to know you better. If you have any questions, please contact your sponsor or any member of the Board of Directors.
