Dear Community Partner,

Like you, the League of Women Voters is looking for new ways to meet the challenges Covid-19 has created. Our usual voter service work – registering new citizens at naturalization ceremonies, conducting classroom presentations in high schools, and hosting voter education workshops at local libraries – has all come to a halt.

That is why the LWV-Indianapolis has created a [shared Google Drive Folder](#) that we would like to give you access to. This folder contains **nonpartisan** voter service materials. There are social media graphic tiles, short videos, governmental guidebooks and forms, a flier of upcoming LWV (virtual) events, and other documents you can use to engage the public leading up to Election Day.

We have also proudly partnered with **Go Vote Indy** and the **Immigrant Welcome Center** to provide tools you can use to connect voters to Election Day ride sharing opportunities and new citizen information.

None of these resources endorse or oppose candidates or the political parties. They are entirely nonpartisan and, as such, nonprofit organizations can share this information. In fact, the LWV is a 501(c)3 nonprofit! Check out NonProfitVote.org to learn more if you have concerns about whether your organization is permitted to share voter service materials.

We know you are committed to serving the community and engaging the public in meaningful ways. We also know it is important voters understand the connection between voting and the services you provide. The LWV invites you to join us in demystifying the voting process and encouraging citizens to play an active role in the health of our democracy.

Please use (or adapt) these materials as you see fit and join us in creating a more civically engaged community. Get started by [clicking here!](#)

Thank you,

Rhea Cain
LWV-Indpls. President

Rachel Loveman
LWV-Indpls. Voter Service Chair

P.S. Folder materials will be periodically updated. Please be on the lookout for new materials that might assist you. If you have any questions, please contact us at voterservice@lwvindy.org.
