

LWVIN COALITION ORGANIZATIONS

The League of Women Voters forms partnerships with other nonprofits to utilize resources and advocate for our positions. The list below includes our active coalition partners.

Lake Michigan League of Women Voters

<http://www.lwvlmr.org/>

The Lake Michigan League of Women Voters is an Inter-League Organization made up of the local Leagues of Women Voters within the Lake Michigan watershed and/or regional planning areas. It is an integral part of and operates under the Natural Resources position of the League of Women Voters of the United States.

Health Access & Privacy Alliance (HAPA)

<http://www.hapaindiana.org>

HAPA is a coalition of civic, educational, religious, professional, and health organizations from all over the state working together to improve access to healthcare and protect reproductive choice in Indiana.

Indiana Coalition for Human Services (ICHS)

<http://ichsonline.org>

The Indiana Coalition for Human Services (ICHS) is committed to enhancing the quality of life for all Hoosiers. ICHS is a nonpartisan coalition, of over 25 organizations, that educates decision makers and the community on fact-based human service policy which emphasizes quality outcomes for Hoosiers, and ultimately the State of Indiana. We invest in, protect and advocate for children, people with disabilities, senior citizens and hard-working families who are trying to make a better life for themselves.

Indiana Conservation Alliance (INCA)

<http://www.inconservation.org>

We are over 25 organizations dedicated to permanent public funding for land, water and wildlife conservation in Indiana. We support increased funding to protect our state's natural resources. Everyone benefits from cleaner water and more public land, places for families to hunt, fish, and enjoy other outdoor activities.

Hoosier Environmental Council

<https://www.hecweb.org>

We aim to set a new path for Indiana, where the people of our state embrace practices and policies that dramatically reduce the footprint of industry, commerce and agriculture on the environment. Following this path, Indiana will ascend to new heights in our public health, economic well-being, and in our preservation of nature for generations to come.
