

HUTTRER MEMORIAL AWARD

Frederick J. Hutttrer, though not a boat owner was an avid supporter of the Club for many years and as a member of the Race Committee, could usually be found running the races each Sunday.

This award, is given to the member, not an officer, who has contributed the most to the Race Committee during the year.

The recipient is chosen by the officers. The award takes the form of a miniature brass cannon mounted on a wood remodeled in 2009 by Rick Blowers.
