#### CHAPTER X - FLEET STATUS, SPECIAL RACES & CLUB PROVIDED TROPHIES

##### B. Series Trophies:

The Club shall purchase trophies for each one-design and each handicap fleet, based on the results of the Club Series races as designated in that year's sailing instructions. For a fleet to be eligible for trophies there must be an average of 1.5 boats starting in 50% of the scheduled races of a series (if the number of scheduled races is odd the average races required will be rounded up to the next whole integer above 50%). The club will award trophies to each fleet using the average of 50% of the scheduled races with the largest participation for the said fleet, (if the number of scheduled races is odd the average races required will be rounded up to the next whole integer above 50%) based on the following chart:

Average	Trophies
1.50	1
4.50	2
7.50	3

An increase in of 3 in average for each additional Trophy
