

Presenter: Erin Deady [13:00 to 13:30]

Presentation Title: SLR Law & Policy (1)

Abstract: This presentation will provide a “big picture” overview of climate and sea level rise policy (International/Federal approaches), i.e., UN Climate Agreement History, US Federal policy, and other climate-related Federal policy, including NEPA, CRS, NFIP Reform, CWA, ESA, FFRMS, Disaster Recovery rebuild it to higher standards. Erin will explore the weird, bad and ugly of caselaw across the US, including Tort/Negligence, Records/data/info and & protecting scientists/the debate, and the Public Trust Doctrine. This first of three (3) presentation will conclude with projections for Federal Policy, including linkages with Gulf of Mexico restoration, what policy efforts are pending, and what is likely to pass / likely to fail.

Erin Deady

Erin L. Deady, P.A. specializes in sustainability, climate, environmental, land use, water law and securing grants for clients. Clients include local governments, Special Districts, private sector, agricultural and Tribal entities specializing in climate planning issues, Gulf of Mexico & Everglades Restoration, PACE implementation, code development and all types of land use issues as well as Federal and state litigation on energy, water resources management and environmental regulatory matters.
