## Course Description:

This course will:

- briefly examine all 19 activities with a focus on program prerequisites and proper documentation and the overall CRS process.
- include changes from 2017 CRS Manual and provide guidance on implementation.
- provide an excellent opportunity for coordinators, support staff, elected officials and stakeholders to learn how their participation supports the community CRS program.
- allow an open forum to discuss individual questions relating to a score or activity issue.
- provide a great environment for a new community coordinator and or staff.

Please **bring** to class the most current version of the CRS Manual on a laptop, tablet, or in print.

## Course Objectives:

- Learn the documentation requirements that satisfy activities and understand the process.
- Better understanding of the 2017 Manual changes and how it may affect your program.
- Explain prerequisites and 'Technical reviews'.
- Define the new Repetitive Loss categories and changes related to RLAA.
- Avoid common mistakes that can delay community CRS processing.
