Course Description:

This course will:

- provide the CRS program overview with emphasis on prerequisites and proper documentation and scoring.
- provide an opportunity to score local documentation.
- provide an excellent opportunity for staff involved with the CRS to learn tips and tricks from other communities.
- allow an open forum to discuss individual questions relating to a score and activity issue.

Please **bring** to class the most current version of the CRS Manual on a laptop, tablet, or in print.

Reference Materials:

Please download and review prior to class.

The most current CRS Coordinators Manual is available at www.CRSresources.org.

Participation is encouraged. Bring examples of activities that your communities participate in to score and share with the class.
