Course Description

This two-day course will cover the subject of floodplain management. Although it is intended to supplement a solid base of experience in the field of floodplain management, the course can also be beneficial to individuals new to floodplain management. This course is not intended to be a preparation or review course for the CFM exam, and should in no way be seen as such.

Please note, the Certified Floodplain Manager Exam WILL NOT be offered in conjunction with this course.

Seating is limited to the first 30 attendees.

Fewer than 10 attendees will result in course cancellation.
