Course: This one-day course will cover the subject of floodplain management. Although it is intended to supplement a solid base of experience in the field of floodplain management, the course can also be beneficial to individuals new to floodplain management. This course is not intended to be a preparation or review course for the CFM exam, and should in no way be seen as such.

Exam: The CFM exam is being proctored as a courtesy by our hosts and is being offered independent of the above course. Participants should be actively engaged in and have working knowledge of floodplain management prior to preparing for the exam, and should prepare for the exam by reviewing the CFM study materials in [FEMA 480](#) and the [CFM® Exam Prep guide](#) on ASFPM's website prior to sitting for the exam.

Taking the CFM Exam?

The ASFPM Certified Floodplain Manager (CFM) Exam will be offered after the Fundamentals Course, on Thursday, December 7, 2017.
