

# Advanced Floodplain Management Concepts III

(EMI Course Code: L-284)

**When:** January 29 – February 1, 2018  
8 AM – 5 PM

**Where:** City of Doral Government Center  
8401 NW 53 Terrace  
Third Floor Training Room  
Doral, FL 33166

**CECs:** 12 CECs for CFMs

**Instructor:** FEMA

**Cost:** \$150 – FFMA individual members  
\$300 – non-FFMA members

**Seating limited to first 30 paid attendees.**  
Fewer than 20 attendees by January 15th  
will result in course cancellation.

This four-day course includes interactive instruction on floodway standards, disconnects between the National Flood Insurance Program regulations and insurance, common noncompliance issues, digital Flood Insurance Rate Maps (DFIRMs), and substantial improvement/substantial damage.

Course objectives are to provide participants with the in-depth analysis and more advanced discussion of floodplain management concepts so States, local governments, Federal agencies, and Tribes can more effectively manage and implement flood damage reduction programs to reduce or eliminate future flood losses.

## EMI Registration

An additional EMI form (#119-25-1) is required in order to take the class.

Complete the form and email it to [sally.cook@mymanatee.org](mailto:sally.cook@mymanatee.org) by **January 15, 2017.**

## Recommended Prerequisites

This course is for community officials with a Certified Floodplain Manager (CFM) designation or 2 years of full-time floodplain management experience as a community official. Participants should have completed the *Managing Floodplain Development through the NFIP* course.
