

Teanaway Community Forest Recreation Plan

Draft October 24, 2018

Overview

The **Teanaway Community Forest Recreation Plan** is intended to guide the Washington State Department of Natural Resources (DNR) and the Washington Department of Fish and Wildlife (WDFW) in developing and managing recreation and public access in the Teanaway Community Forest for the next 15 years. It outlines a vision for recreation and public access in the Teanaway by developing recreation management concepts, setting priorities, and presenting specific strategies and tools for implementation. This recreation plan is a supplement to the existing Teanaway Community Forest Management Plan of May 2015.

Planning Status

- The **Draft Teanaway Community Forest Recreation Plan** was released for public comment on October 24, 2017 by the WA State Department of Natural Resources (DNR) and Department of Fish and Wildlife (WDFW).
- A **State Environmental Protection Act (SEPA)** environmental assessment has been completed by DNR and WDFW and is available for public comment.
- **Following the SEPA review and public comment period**, the recreation plan will be approved by DNR and WDFW this fall.
