## Buy, Sell, Trade

Mt. Misery Snowdrifters are hosting a swap meet for everything powersports related – that means snowmobiles, dirt bikes, street bikes, jet skis, dune buggies, boats, ATV's, UTV's, parts, accessories, clothing...the sky's the limit! Vintage to brand new, and everything in between. Come to buy, come to sell, or just come to check it out and visit! Indoor and outdoor spaces will be available on a first come, first serve basis.

The Ag Museum will be open to look at some of the most amazing pieces of agricultural history. There will also be a vintage show for your viewing pleasure. Lots to do and see! Food will be available. One day only!!! Only \$5 entry fee per vehicle!

Vendors: \$50 for commercial businesses, \$25 for private. You are responsible for your own finances, displays, security (building will be locked at night) etc. We will provide tables for the indoor spots. Reserve a spot inside or set up in the parking lot out of your trailer...we aren't picky! Set-up Friday or early Saturday morning, clean-up after 5 Saturday night or Sunday morning. Camp spots are available.
