Project Description: On a separate piece of paper describe the trail project that you would like to fund with the WSSA grant money. Do not simply say trail maintenance. The following examples are for illustration only. If it is a project on a warming shelter describe what improvement will be made to the shelter. If it is a project to do signage, describe the number and type of signs to be installed. If it is trail brushing describe how many miles are proposed for brushing and how the project will be accomplished (contractor, volunteers or other means). Applications submitted without a reasonable project description will not be approved.

Project Location: Attach a map that shows where the proposed trail project is located. Indicate with a star or an arrow, locations of warming hut projects, signage projects or trailhead projects. If the project is trail maintenance such as brushing, indicated what stretch of trail will be improved with highlighting or a circle drawn around the trail.

Project Budget: Attach a project budget that lists an estimated cost for all elements of the proposed project with a breakdown as follows: Equipment rentals, equipment purchases, material purchases, value of donated material or equipment, contractor costs or other project cost.

Land Owner Permission Required and Attached to Application
