

Dear Business Owner,

GKHAT is a non profit organization dedicated to promoting alpine skiing in Golden, BC. As a nonprofit organization in a resource-intensive sport, our club relies on fundraising to keep program fees affordable for members.

To this end, the club holds an annual online auction and requests athletes and their families to seek donations from businesses they frequent to be auctioned off and sold. All proceeds go directly back to the club. Please consider donating an item, service or cash of any value to our online auction to help us reach our fundraising goals this year. The auction is held in mid November, and we aim to have all donations collected by November 1.

The proceeds of our online auction allows the club to purchase essential equipment and run ski racing programs which would otherwise be out of reach to some families. Our club prides itself on being a high quality, fun and inclusive sporting start for young athletes in a community where participation in winter sports is key to staying active year-round.

Although we cannot provide tax receipts for donations or sponsorship contributions, your contribution of an item for the online auction or in-kind donation will be recognized on our online auction sponsorship section. If you have questions about our organization or the auction process, please contact Sarah Short ([sshort@gkhat.ca](mailto:sshort@gkhat.ca)) to find out more.

Thank you for your support of young athletes in Golden. We rely on our community partners to continue fuelling healthy starts in skiing and sport.

Sincerely

GKHAT Board of Directors
