

Trail Etiquette

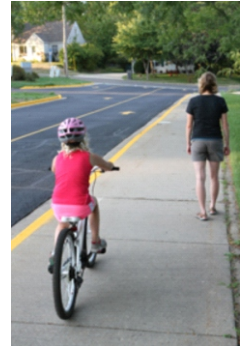

Be respectful of others, regardless of their mode of travel, speed, or skill level.

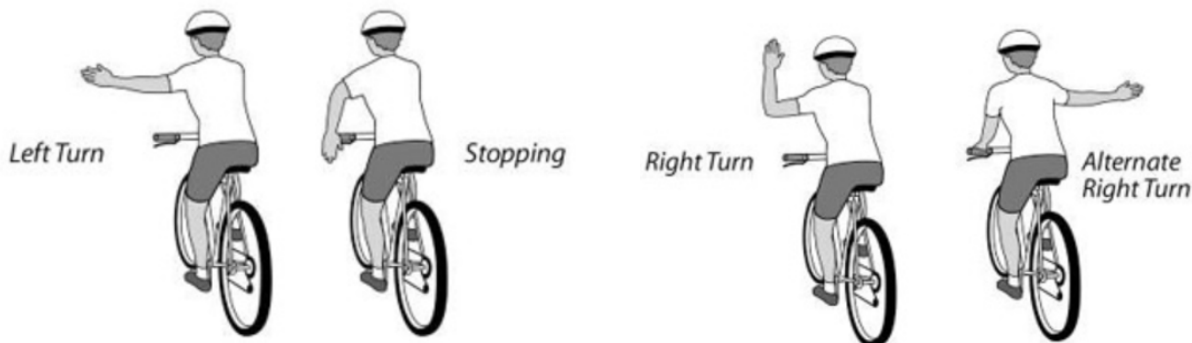

Give an Audible Signal when Passing such as “Passing on your left,” , bell, or horn.

Pass on the Left

- Pass others who are going in your direction on their left.
- Look ahead and behind to make sure the lane is clear before pulling out.
- Do not move back to the right until safely past.
- Fast-moving users, like cyclists, are responsible for yielding to slower-moving users.

Warn other trail users of your intentions by indicating when you are turning, slowing or stopping.

Do not Block the Trail

When riding in a group, use no more than half the width of the trail.
When Stopping - Pull off the trail
