

Emotional Intelligence - The Missing Piece to Your Success?

***Saturday, August 25
9:00 a.m. – 12:00 p.m.***

What's the # 1 Predictor of Personal & Professional Success? Emotional Intelligence!

Studies have shown that as much as 40% of an individual's success can be attributed to their Emotional Intelligence (EI)! Unlike IQ, your EQ can be developed and enhanced. But first you need to know what it is, where to begin and what to work on!

Every attendee will receive a personal, confidential BarOn EQ-i® assessment and summary report. Knowing your specific strengths and areas for development, you'll leave with an action plan designed specifically for YOU!

Executive Coach Elene Cafasso leads this fun & fast-paced presentation to help you:

- Understand the definition of EI & emotionally intelligent events
- Learn the key components of EI & how they impact your relationships
- Discover your current EQ score
- Create an action plan you can implement immediately to increase your EQ

**Who should attend?
*Anyone who:***

- Works with people!
- Wants to identify the most important EI skills they personally need to develop
- Could benefit from having a specific action plan with which to move forward
- Knows they're smart but isn't where they want to be – personally or professionally!
