

Rapp at Home

Membership Application

We are eager to have you join Rapp at Home! We help our members thrive as they age in their own homes. We provide services that include: help with shopping, driving, repairs, and more.

We also have multiple events each month that include invited lecturers, social activities, happy hours, community square dances, writing life stories, a book group and conversations on aging. Some of us serve as volunteers helping each other out with rides, picking up groceries and help repairs. We also provide recommendations on vendors in the community and discounts in local restaurants and theaters and provide an updated Members Directory each year both in print and online so members can easily contact each other.

Whether you need services, want to volunteer, want to meet your neighbors, want to participate in all our programs, or just want to support our work, we hope you'll join us in making Rappahannock a better place to live.

Rapp At Home Inc. is a non-profit 501(c)(3) corporation founded by residents of Rappahannock County in 2015.
