Plenary Speakers

John Frey, MD, on "Professional Loneliness and Balint Groups"

Past President of the Society of Teachers of Family Medicine, former editor of Family Medicine, astute critical thinker and caring family physician, Dr. Frey is writing a book on the social history of doctors and communities in the last half of the 20th Century.

Matthew von Unwerth, PhD, on "Learning The Patient's Idiom"

Dr. von Unwerth is a psychoanalytic psychotherapist, Narrative Medicine instructor and author with a strong background in issues of diversity. He will speak to us regarding the critical role of learning to speak in the patient's own idiom in creating a healing relationship.

Healing Relationships: Challenges & Inspirations

3rd National Meeting of the American Balint Society

**July 26 - 28, 2018
Minneapolis, MN**

Conference Description

You are invited to join us to **look below the surface**, to explore **what makes Healing Relationships effective** for both doctors and patients.

Hear original research on this topic.

Participate in Balint group case discussions - no experience required!

Take inspiration from keynotes.

Expand your thinking and your network with like minded colleagues.

Reinvigorate the heart of your work.

**Registration deadline:
June 25, 2018**
