***Balint Leadership
Training Intensive***

**Training Leaders in
Relationship Centered Care**

**October 12-15, 2017
Pittsburgh, PA**

Conference Description

This training offers practical, experiential learning opportunities for those who are currently leading or hope to lead Balint groups. It is also appropriate for those who wish to deepen their understanding of the method and reap its benefits through a concentrated experience. Small group sessions are led by two faculty members who are credentialed Balint leaders. Each session includes a Balint group followed by debriefing of group process and leader interventions. Participants have the opportunity to practice leading Balint groups and receive feedback on their leadership skills.
