

Care Patrol

Safer Senior Living, *Your Goal, Our Mission*

A FREE SENIOR PLACEMENT SERVICE

*Helping Families Find Safe Assisted Living,
Alzheimer's / Memory Care Communities
and Nursing Homes*

*Specializing in Manhattan, Brooklyn,
Westchester & Fairfield Counties*

- ▶ *CarePatrol is a FREE Senior Placement Agency. We help families find Assisted Living, Alzheimer/Memory Care Communities and Nursing homes.*
- ▶ *We are local professionals who have earned our National Certified Senior Advisor Certification (CSA). We advocate for seniors and families during this confusing and stressful process.*
- ▶ *Our professional recommendations are unbiased as we do not “work for” the communities. We represent and are compensated by our referral network providers but “work for the families.”*
- ▶ *Not all Assisted Living or Alzheimer/Memory Care Communities are created equal. Some have a higher social model vs. medical model. We will help you find the right community that fits your specific care requirements, location and budget.*
- ▶ *We are not merely a web company that gives random lists of communities. We accompany families on “community tours” to alleviate the sales pressure and to insure that you ask the “Right Questions.” We have experience working with Case Managers and Social Workers in planning safe hospital and nursing home discharges.*
- ▶ *We will assist you with state and federal funding options that can help pay for assisted living. Ask us about the VA Aid & Attendance Program for Qualifying Veterans.*
