How 49° North compares to local NW ski resorts

Resort area	Skiable Acres	Avg. Snowfall	green	blue	black
49 Degrees	2325	301"	30%	40%	30%
Crystal	2300	486"	11%	54%	35%
Mission Ridge	2000	200"	10%	60%	30%
StevensPass	1125	460"	11%	54%	35%
Mt Baker	1000	659"	24%	45%	31%

14 rooms from Nordlig Motel have sold out. 7 blocks to the south, we are currently filling rooms at the Chewelah Motel & RV Park

Come and join trip leaders Jay and Dorothy Hart and find out why they keep going back annually. (hint... best gladed skiing ever) There's never a dull day with 2,325 skiable acres, no lift lines, and a nice variety of terrain for skiers of all levels.
