

# TaleBlazer in the Gardens

Use your smartphone and the free TaleBlazer app to have fun while learning about the gardens!

Choose from a number of games and check back often for new ones.

Use the free TaleBlazer App to explore the gardens with your smart phone. Developed by MIT Scheller Teacher Education Program, Taleblazer games take place in the real world and can be played on most GPS enabled smartphones.

## How to Play

- 1 Go to the App Store on your phone and download the Taleblazer App. (Either use WiFi or Data)
- 2 In the gardens, open the app. and the Florida Botanical Garden's page will automatically open.
- 3 Arrow thru the games and choose the one you want to play.
- 4 Download/Update the game using data. Play! (No data used). Instructions are included.

## Games Include:

- A simple map-based Introduction to the Gardens.
- Critters along the Wildlife Walkway
- Curious Stuff in the Gardens
- Florida-Friendly in the West Gardens
- Florida-Friendly in the East Gardens
- Water-Wise: A Florida-Friendly Approach
