From I85.

Take exit 147 then head south on Main Street. At 1.4 miles bear right onto Hwy 87. Go 7 miles and turn right on Lindley Mill Rd.. Go 5.3 miles and turn right on Major Hill Rd.. Field is approximately 1 mile on the right.

As you guys are aware, Steve Harper has been trying to coordinate with the club members to try and liquidate some models and other stuff from the Martin Estate. We would like to take a few moment at our next meeting to discuss how we should go about doing this.

We would also like to have the members that fly at the Copperhead field join us at the next meeting. Your input is vital to the sites survival.

It's that time of the year to place the swap meet ad with the AMA. We need to confirm that we can get the Fairchild Community Center the 4<sup>th</sup> Saturday in January and then reserve it and pay for it too. Do we still want to have the same work responsibilities where Chris is the swap meet phone contact, Steve handles the website interface, Steve and Allen track table reservations and assignments, Mike and Allen handle vendors Friday evening and Saturday morning, and other volunteers handle the raffle table, admission, parking, etc.? Do we want to create a volunteer sign-up list again?
