Letter from the Board President

Dear CSSC Members,

October 17, 2006

In my letter in the October Newsletter I urged CSSC Members to consider serving on the Board and I noted that we are particularly interested in finding people to fill the Board seats for:

- Treasurer
- Children/Social Activities
- Facilities & Long-Range Planning

I also noted that our By-Laws call for a Nominations Committee to be established to recruit and propose a slate of Board members to be voted upon at the first of two Annual Membership Meetings. Our By-Laws require this Committee of three people include two people from outside of the current Board.

Unfortunately, I must report that we have not received any inquiries or expressions of interest to serve on either the Nominations Committee or on the Board. Thus, we decided to cancel the Membership Meeting that had been scheduled for Monday, October 30, 2006. We have prevailed upon existing Board members to continue to serve until at least the January Membership Meeting. This meeting will be held on **Thursday, January 25, 2007**. At this meeting we will vote on the budget and the slate of candidates to serve on the Board for the next year. Hopefully this will give us time to recruit both a Nominating Committee and for them to in turn recruit people to serve on the Board.

I hope that you will seriously consider serving on either the Nominations Committee or on the Board. We are particularly in need of someone who has some financial and/or accounting acumen to serve as Treasurer as soon as possible. If you are interested in serving on the Board, please feel free to give me or any of the other members of the current Board a call to discuss your interest.

Best regards,
Tim Mealey

TRANSITIONS

Original Carderock homeowner Henry Bell passed peacefully October 16 at Bethesda's National Naval Medical Center.

Neighbors knew Henry as an amiable, outgoing character, always ready with a new joke, full of common sense advice and nifty know-how, and frequently walking a dog - and a cat! He was also Chairman of the CS Retired Men's Club for 7 years, known to all as the ROMEOS - Retired Old Men Eating Out. Professionally others knew him as Rear Admiral Bell, an accomplished chief and commander in the Coast Guard whose astonishing career afloat covered the Atlantic, Pacific, Arctic and Antarctic Oceans.

Carderock sends condolences to his wife Brenda, adult children Sharon, Brian, and Missy, and 4 grandchildren. Funeral services with full military honors are scheduled for 1:00 pm January 8 at the Old Post Chapel at Ft. Myer, Arlington National Cemetery.

WOMEN OF CARDEROCK

Nov 16, Thursday 11:30 am

In October we visited the fascinating Museum of Health and Medicine at Walter Reed Hospital. Our guide was a very knowledgeable physician who was able to give us special insights in the exhibits of all parts of the human body. We also saw the progression from Civil War medical technology to the emerging technology of today. After the museum, we had a delicious lunch at an Asian restaurant in Silver Spring. What a shame that so many missed this truly memorable outing.

On November 16, WOC will meet at noon at the home of Irene Redecke at 8212 Tomlinson Avenue in South Carderock. Please bring your lunch and RSVP to me, Margit Meissner, 301-469-674.

Please mark your calendars!

Home Care Helper Wanted, No Medical Experience Required. Looking for a reliable, English speaking female companion/ assistant(s) for a nice, retired lady who has Parkinson's Disease. She is in need of mobility assistance and help with daily care such as showering, dressing, and taking medications. Although her body is weak, her mind is fine and she can communicate quite normally. We have a private room and bath, with TV, for this helper (live in or live out possibilities may both be considered). We currently have a small group of excellent people covering most of the daytime requirements, but are looking for one or more people to take care of overnight shifts.

Our priorities are:

1. Someone for the 6PM to 9AM shift who could respond to needs during the night. Weekday night coverage is urgently needed due to current school semester requirements of some of our helpers.
2. On a longer term basis, someone who could live-in and exchange some of the services for room and board.

Some cooking skills would be helpful.

Applicants must have their own transportation (car) since the home is not near a bus or metro stop. Personal references and a background check will be required. Please respond with as much detail as possible about your past experience and which days or hours you are willing to work. If you are interested, please call Bob or Sherma at 301 299-3549. Thank you.

Handyman, call Remy 973-432-2287 (cell). Fairly new to Cabin John. Work he's done for me: Electrical (installed high hats, pendent lighting & new fan, added additional outlets); removed dated wallpaper, refinished the walls where needed and painted; plumbing (installed a new sink faucet); carpentry (installed new pantry shelving, built garage shelves, built a charming rack to hold additional items on the inside of a door); hung new blinds. Also installs tiles. Fixed holes in the drywall from the old fixtures; installed a bathtub door; put in a new medicine cabinet; and hung a new mirror. Painted garage walls and put up hooks to hang the bikes etc. Cleaned gutters and installed leaf guards. Power-washed and stained my deck and power-washed the fence around the back yard.
