Letter from the President

Welcome to Spring,

Spring has arrived and with it the spring clean up and fix up at the Club. This year we are focusing on sprucing up the grounds of the club.

You'll be seeing big improvements to the tennis area before the club opens. The deck adjacent to the tennis office is being replaced, a new patio and seating area is being added, we're improving the storage space to clean up the area, and remodeling the interior of the tennis office. All of these improvements will be complete before the season starts and help us to get off to a great start.

New tennis patio during construction

In the pool area, the dive team will be glad to hear the diving boards have been sent out to be resurfaced and will be like new for your first practice. Divers will be able to 'spring' with confidence. We are also happy to report that we expect all your favorite swim coaches back again this summer. Now that's something to cheer about.

Finally, before the club opens we will have the parking lot and driveway repaved and re-stripped. Say good bye to those pot holes.

The Board hopes you'll enjoy our ever improving club, so put Memorial Day Opening on your calendar now. We'll see you then.

Suzette

EGG HUNT at the Club

Saturday March 31, begins 10 am sharp

There are plenty of eggs for everyone, but the *eggs go fast* - so be right on time at 10 am so you won't miss out!

Volunteers are needed to fill the eggs, hide the eggs and serve drinks. SSL hours are available for this community service. Please contact Caroline Barbeau at carobarbeau@msn.com or 301 767 0214 if you can help.

Congratulations to Carderock's Mark Meyer! A junior at Whitman, Mark recently won the 100 butterfly at Metros to earn All-American honors and finished third in individual medley. He was also one of 9 top male county swimmers at the high school level named 2007 All-Gazette Swimmers. And since he's one of ours, we get to swim with an All-American this summer. Way to go, Mark!

Community

AGING IN PLACE - WHITMAN VILLAGE? It's for those who want to see an age-diverse active community. About a year ago, the *AARP Bulletin* and other publications carried stories about Beacon Hill Village, a self-organized, self-help corporation designed to help home owners and residents facing diminishing mobility, chronic illness, and isolation remain in their homes, rather than make the move to assisted living. A similar group, Capitol Hill Village, was covered March 10 in the *Washington Post*.

Interested in talking about the same concept for the Whitman community? Even though this may not be you now, you may still be interested in exploring the concept. Someday, we'll all be there. People in need could be elders or others who need help getting to the doctor, the grocery store, maintaining their homes, meeting with friends, and the myriad of life's little chores.

Beacon Hill Village organized, incorporated, and hired at least one person to help them address these needs. They raise money through memberships & fees to pay expenses of the corporation. Throughout the process Beacon Hill worked with a group from MIT which wrote a manual, available for several hundred dollars, used widely across the United States in organizing similar groups.

Burning Tree Service Exchange & Neighborhood Watch Chair Harry Rosenberg and committee members Odile Jennings & Jane Meleney Coe have agreed to arrange an organizational meeting of home owners or residents within the Burning Tree/Whitman boundary area if sufficient interest is expressed. If you're interested or curious please email Suzi Kaplan suzik@comcast.net with the subject line "Whitman Village". Include the number of people you represent, their current decades of age (20's, 30's, 40's, 50's, etc.), and a list of BRIEF issues you might want to address (architectural boundaries, yard care, pet care, services available, social aspects, etc).

TRANSITIONS

Former long time Carderock resident (30 years on Glenmore Spring Way and Stone Trail !), Capt Robert J. "Bob" Bosnak, USCG (Ret.), passed away Nov. 4, 2006 in Rockledge, FL. While living in Carderock, Bob was an avid gardener and swimmer, and a member of the duplicate bridge and the men's lunch clubs. He is survived by his son, Robert S. Bosnak of Crystal River, FL and his daughter, Elizabeth M. "Betsy" of Rockville, MD. His funeral with full military honors will be held Thursday, April 12, 2007, at 11:00 AM, at the Old Post Chapel, Arlington National Cemetery. The family will be receiving guests at the Women's Memorial Museum at Arlington Cemetery directly following the ceremony. Please RSVP to Betsy Bosnak, via email Betsyindc@aol.com or call (H) 301 977 6276 or (C) 240 447 5079.

Carderock also sends condolences to Mel Colton's family on his passing. Mel and Karin have been long time Carderock residents on Park Overlook Drive and could be seen walking their brown and white spaniel Diva through the neighborhood each day.

Tennis News

Welcome back! The long winter is almost behind us and it is time to get back on the court. I can't tell you how excited I am to begin my fourth season here at Carderock.

TENNIS TIP OF THE MONTH

I am sure we all have not played as much tennis as we have liked over the winter. So it is very important to do plenty of stretches before you get back into playing 3 or 4 times a week. We could all use a little more flexibility. We wouldn't want your season to end before it starts! (This goes for juniors as well as adults!)

Carderock Tennis Goes Online

This year you can go online to find out about any tennis events or socials. Just log on to the main club site and move to the tennis link. It will be updated throughout the season.

PROGRAMS

All of our adult and junior programs will begin April 2nd. As always, classes can be prorated or paid on a daily basis. We are very flexible with your schedules, and all make-ups will be offered for any days missed.

LADIES TEAM

We currently host 2 ladies teams which compete in the Spring and Fall. We are always looking for players to join. Our teams are different levels, so you can be sure we will find a spot for you. In addition to these 2 teams we have 2 ladies summer teams that play on Thursday evenings. Feel free to call the shop for team captain's phone numbers and additional information. The more the merrier.

COURT AVAILABILITY

If at any time during the course of the season all courts are taken due to programs, please find me. I will be happy to accommodate in any way possible. We don't want to have people leaving the courts without getting to play! Our staff can always juggle our programs to open up a court for you. The court sheets will again be posted at 8:00 AM on Monday mornings by the staff beginning April 3rd.

CALENDAR OF EVENTS

There will be a '*Calendar of Tennis Events*' located outside of the shop which will have all of our planned events for the entire season. This way you can make your schedule early and decide which events you wish to play. Please make a point to stop by so you can check out our great events for the year. We have added a few more fun socials this year, and you don't want to miss out.

Upcoming events for the month of **April** include the "**SPRING TENNIS KICK-OFF**" set for Saturday, the 7th and the **PARENT-CHILD ROUND ROBIN** set for the 28th. Both events will begin at 1:00 PM. Look for flyers around the club or stop by the tennis shop for details. You may also go online for further information.

NEW PROGRAMS

We will offer a "Junior Sports Camp" in the summer from 1-4 where kids will play tennis, basketball, swim, floor hockey, and many fun on-court games. This will be geared towards kids ages 8-12 who are looking for some fun sports time without the pressure. It will run for 6 weeks during the summer. Sign-ups will be on a weekly basis. (June 18th - July 27th)
