## Letter from the Manager

---

Hard to believe that we're half way through what has been a very busy and successful season.

Beginning with well-attended Memorial Day and 4<sup>th</sup> of July celebrations, we have not concluded our swim and dive team competitions with the swimmers, divers, coaches, team reps and volunteers deserving a big thanks you for a tremendous job.

Jessie Sobrino and her dedicated staff are to be commended for their outstanding work with the pre-team program.

A well-attended Summer Fun program under the direction of Mike, Bonnie, John and Lauren with the help of Community Service teen volunteers provided fun times for all participants.

Tennis programs under the direction of Head Tennis Pro Ryan and his assistant coaches were well received with the Cardio Tennis session gaining in popularity.

Opening time for the pool will change to 3:30 starting August 27.

The annual Labor Day celebration will be Saturday, September 1 from 6 to 9 pm. We will supply the music, beer, wine and sodas.

The season will officially end with the popular Doggie Swim on Sunday September 16 from 7 to 8:30 pm.

Wishing all a continued great summer and enjoyable days at the Carderock pool.

Larry

## Iguana News

---

Want to see wildlife? There's no need to vacation in exotic locales or even to turn your TV on for Animal Planet. Just look out your window!

The Carderock fox who carries morning newspapers into the woods is old news. The juvenile bear who wandered along Seven Locks Road earlier in July is old news. Sure we've got deer and other creatures in Carderock, plus occasional spooky head-turning "what was that" sounds in the night. But an iguana??

### Anatomical parts of the Green Iguana

Yes, Carderock has a four foot green iguana tropical lizard wandering around! Iguanas love to eat plants and since there are plenty of green leaves in the neighborhood it would appear that s/he would be quite happy with that for now. Several people have seen him in the past month, complete with his 'big scaly back fin sticking up' (that would be his Crest).

He's quite endearing - when he hides his head under bushes, he hasn't figured out that his tail is not hidden. Is this iguana an escapee from someone's house?

Late breaking news - the juvenile bear was seen on Kachina Lane behind Fenway on Thursday, July 26.

Meanwhile, there have been reports from C&O canal walkers that Very Interesting scat (look it up) has been found during this summer drought. It's come from a large creature apparently feasting in the woods by the river. Oh my - what's next?

### **TRASH REMINDER**

One section of our Carderock covenants states, "Trash and garbage containers shall not be permitted to remain in public view except on days of trash collection." Some residents have been storing their trash cans and/or blue recycling bins at the street for the entire week without ever moving them up towards the house and out of view. Please find a place to tuck them away.

## Tennis News

*The summer run is nearing an end. But it is not over yet. We will still offer programs through August 24<sup>th</sup>. Privates as well as ladies team practices will also be in full swing, so just drop in or give us a call.*

### JUNIOR PROGRAMS

ALL PROGRAMS ARE AVAILABLE UNTIL THE THIRD WEEK OF AUGUST. WEEKS CAN ALSO BE PRORATED IF NEEDED. THE FALL PROGRAMS FOR JUNIORS WILL START SEPT. 3RD AND CONTINUE ON UNTIL OCT. 26<sup>TH</sup>.

### UPCOMING EVENTS

## Hail and Farewell, Transitions

---

### HAIL AND FAREWELL

Carderock bids a fond goodbye to long-time Carderock resident Brenda Bell, a former sales agent for original Carderock homes in the 1960s. She's moving to Arizona with a wealth of knowledge and tidbits about Carderock and promises she will come back to visit!

Carderock welcomes the following new neighbors:

- Tri-athletes Jennifer Manner and Eric Glasgow who have moved to 8205 Fenway Road from Kensington with their dog and 2 cats.
- Lupe and Jay Marks with Gabrielle & Ben to 8221 Lilly Stone from Silver Spring. Jay is an immigration attorney and Lupe is a Spanish teacher from Peru.
- Doctors Marie Caulfield and David Riggs with Rebecca to 8100 Glenmore Spring Road from Delaware.
- Anya and Bill Caldwell with Charlotte and Ella to 7711 Glenmore Spring Way from DC. Anya is a green architect.
- Doctor Mary Parvacnic and William Thebert with Catherine and Johanna to 8322 Still Spring Court from New Mexico.

### TRANSITIONS

Carderock sends our condolences to the family of Dottie Tuttle who passed away in July following a long illness. She leaves her loving husband Seth, their children Russell and Samantha, and a grandchild. Dottie had a variety of interests. She was well-known in Carderock for driving her white convertible and for her avid tennis playing until her eyesight failed. Dottie taught nursery school and worked in the Carter White House on health and handicapped issues. She became an authority on Amelia Earhart and even saw Earhart take off on her first attempt at flying around the world! Dottie was also an accomplished artist and doll collector, especially historical paper dolls which were featured in an exhibit by the Montgomery County Historical Society. We will miss Dottie's wonderful sense of humor and lively spirit.

## Social and Book Groups

---

### **CARDEROCK SENIOR MEN'S GROUP LUNCH**

**August 9, Thursday noon**

The next Carderock Senior Men's lunch will be on August 9 at Normandie Farm.  
Social hour at 11:30; lunch at 12:00.

We always welcome new members. If you would like to attend or be put on our invite list call Doug Robinson at 301 365-7503. The September lunch is Sept 13.

### **WOMEN OF CARDEROCK**

**not in August, but Sept 20, Thursday noon**

At their meeting on July 19, WOC aired several important topics:

- real estate tax reduction for people below a certain income;
- need for an adult activities coordinator on the board of the Carderock Springs Swim and Tennis Club who would organize cultural activities, similar to the ones organized for children;
- the Carderock Covenants and the Design Guidelines;
- the concept of ""Whitman village"", a self-help organization designed to help home owners remain in their homes rather than move to assisted living facilities;
- the Mercy Health clinic, a community-based volunteer organization providing quality healthcare to uninsured, low-income residents of Montgomery County. Volunteers and contributions are needed for this outstanding and unique facility. For more information go to [www.mercyhealthclinic.org](http://www.mercyhealthclinic.org).

WOC will not meet in August. The next meeting is scheduled for Sept 20 at Marilyn Mayerfeld's who will take over the coordination of the group from me, Margit Meissner. Please mark your calendars NOW so that doctors' appointments and other activities will not keep you from attending the get-togethers.

Have a pleasant rest of the summer. Thanks to all of you who contributed so much to this group. I look forward to attending future meetings and reserving lunch on the third Thursday of the month for WOC.

Margit Meissner, 301-469-6740

For those wanting to read ahead, here's a sneak preview of our upcoming selections -

I consult with high school seniors on all aspects of their college essays, including: content, organization, style, sentence structure, syntax and grammar. I have a BA in English from GWU, a JD from GWU and, am a founding volunteer at Walt Whitman High School's Writer's Workshop. Last year I began consulting privately with college applicants and neighborhood references can be provided upon request.
